The English as a Second Language Specialist certificate is valid for service as an English as a Second Language Specialist (self-contained or resource model program) in all grades (PK-12) of the public schools of Rhode Island.

I. Certificate of Eligibility for Employment (CEE) – valid for three (3) years

The initial certificate in Rhode Island for all areas of certification is a CEE. The CEE is used to seek regular employment in the schools of Rhode Island for the field identified on the CEE. The CEE is also valid for service as a substitute teacher. If regular employment is not secured in the three (3) year period, the CEE can be renewed every three (3) years (SEE NOTE ONE) until regular employment is secured. - Bachelor's Degree from an accredited or an approved institution of higher education as defined in these regulations.
- Graduate of an approved program for the preparation of English as a Second Language Specialist within the previous five (5) years from the date of application. Applicants who have not completed an approved program can be certified by transcript analysis by presenting evidence of six (6) semester hours of student teaching (SEE NOTE TWO) as a English as a Second Language and not less than twenty-four semester hours of course work to include work in each of the following areas: Human Growth and Development, Identification and Service to Special Needs Students, Introduction to English Linguistics, Theories of First and Secondary Language Acquisition, Curriculum and Methods for ESL Programs, Second Language Assessment and Evaluation, Socio-Cultural Foundations of ESL Education, and Second Language Literacy for LEP Learners.

II. PROFESSIONAL CERTIFICATE: valid for five (5) years

- The professional certificate is issued to individuals who secure regular employment in the schools of Rhode Island. Upon securing regular employment in Rhode Island, the CEE is used to request a five (5) year professional certificate. When applying for a five (5) year professional certificate the applicant must submit the CEE along with documentation from the employing authority that
(OVER)

regular employment has been secured in the certification area of the CEE. Upon securing regular employment, the educator must write and get approved a five (5) year Individual Professional Development Plan (I-Plan).

- The professional certificate may be renewed every five (5) years upon the successful completion of an (I-Plan) that has been approved by the I-Plan Review Panel. Individuals who have not served as an English as a second language specialist in Rhode Island for the five (5) year period are entitled to an extension to the professional certificate (SEE NOTE THREE) at the end of each five (5) year period without the completion of an I-Plan.

NOTE ONE (1): Individuals who do not renew their CEE or Professional Certificate within six (6) months from the date of expiration may be required to complete additional requirements under new regulations to re-instate the expired certificate.

NOTE TWO (2): The student teaching requirement may be waived for an applicant who has had two or more documented years of successful teaching experience in an approved English as a second language setting. Certified teachers who have had two or more years of teaching experience and who seek English as a Second Language certification may fulfill the student teaching requirement by completing a one-year supervised internship at the English as a second language level. After completing the necessary course work for the English as a Second Language certificate, and arranging through the local community for a one-year internship, the Superintendent of Schools may request the issuance of a one-year professional certificate. The Department of Education must approve the internship in advance and the supervisor must have at least 3 years of teaching experience. Upon successful completion of the internship, the individual will be issued a five (5) year professional certificate.

NOTE THREE (3): The five (5) year professional certificate requires the successful completion of an I-Plan every five years for renewal for individuals who have been in regular employment for the five-year term of the certificate. To be entitled to an extension of the professional certificate without the completion of an I-Plan, educators must document their employment history during the previous five (5) years. Educators holding regular employment who serve for less than 135 days during any school year are entitled to a one (1) year extension of the professional certificate for each year of service less than 135 days to complete their I-Plan. Educators who leave regular employment during the term of the professional certificate are also entitled to an extension of the professional certificate for the number of years not engaged in regular employment. Educators who return to regular employment, must modify, if appropriate, the I-Plan on record and complete the five (5) year I-Plan during the remaining term of the extended certificate.
