Instructions for Joining Using Mobile App

STEP 1: You have received an email with a link to join.

- If not, please check your spam folder for an email from <noreply-zoomevents@zoom.us> MPI Events. It provides a virtual join link and login coordinates.

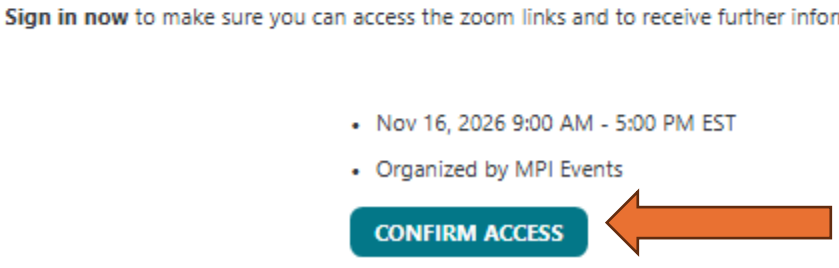

- If you cannot find, please email events@migrationpolicy.org asap.

STEP 2: To sign in, you will need to either click the “Join” button or the “Confirm Access" button, depending on your email format.

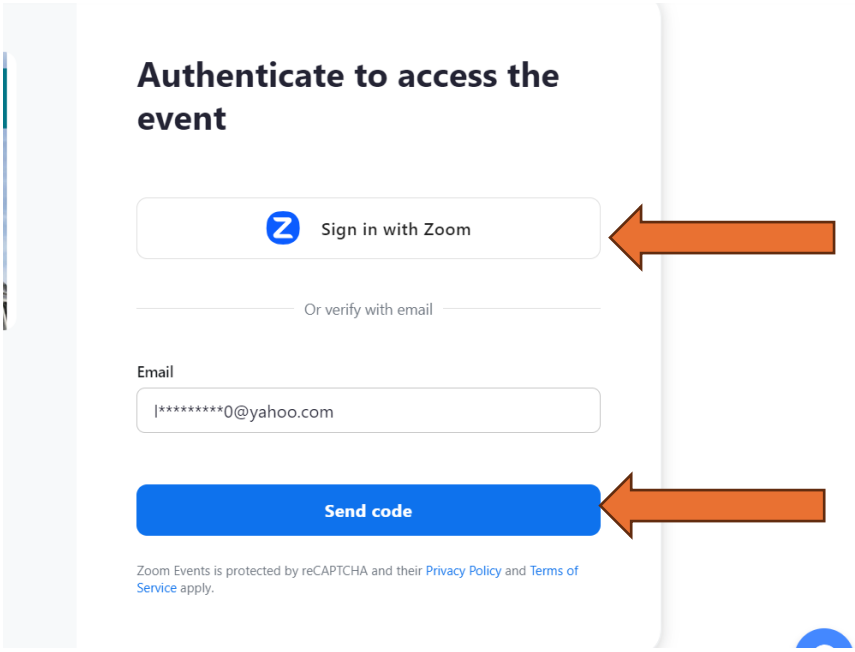

OR

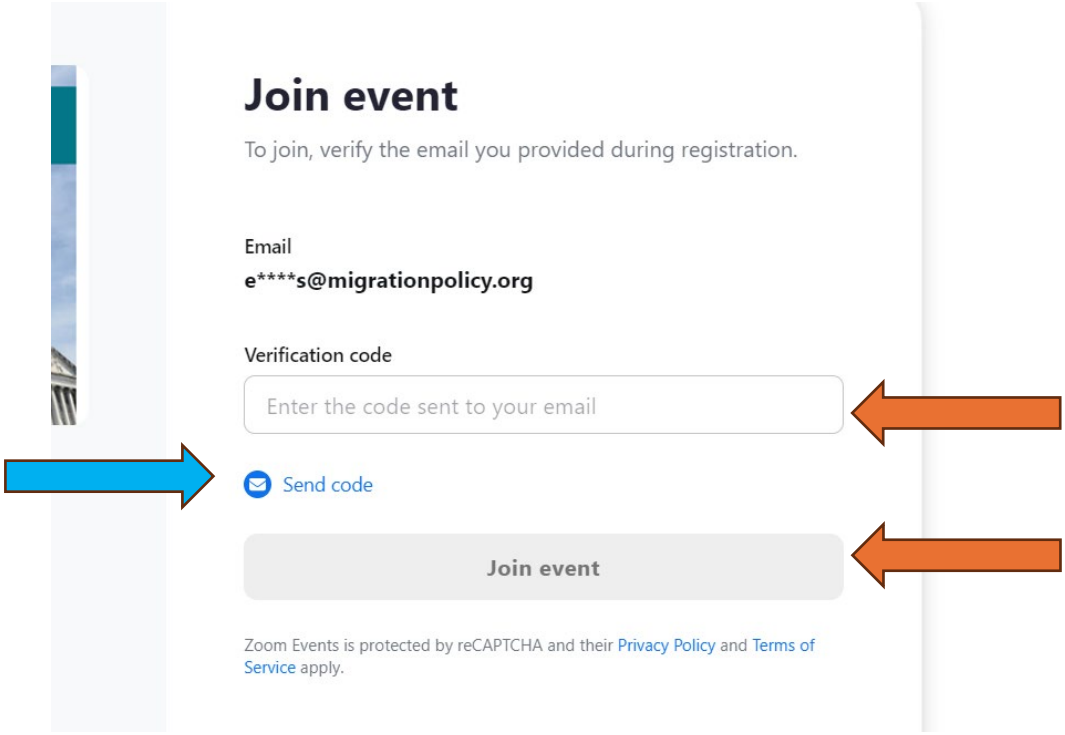

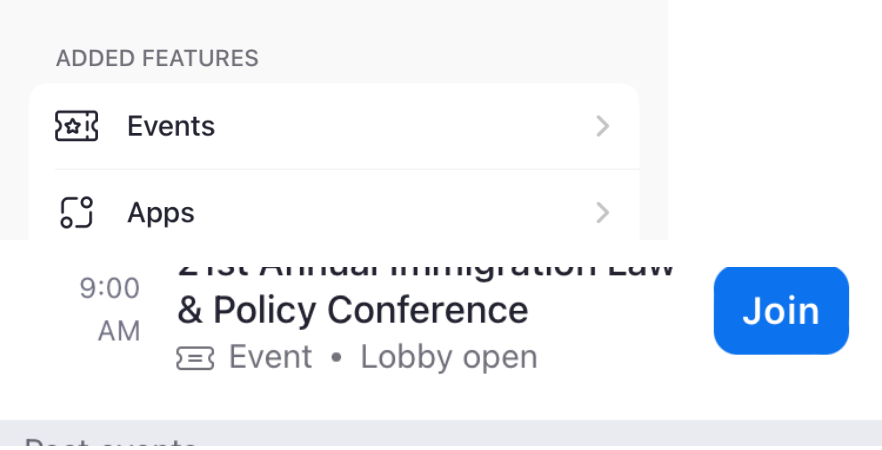

STEP 3: Choose whether you will sign into your Zoom account or verify with email. It may be easier to verify with email, in which case, click Send code.

You may be prompted to enter a VERIFICATION CODE and hit Join event. You can find the verification code in your email. If you don't receive it, you will need to hit send code and check your email again.

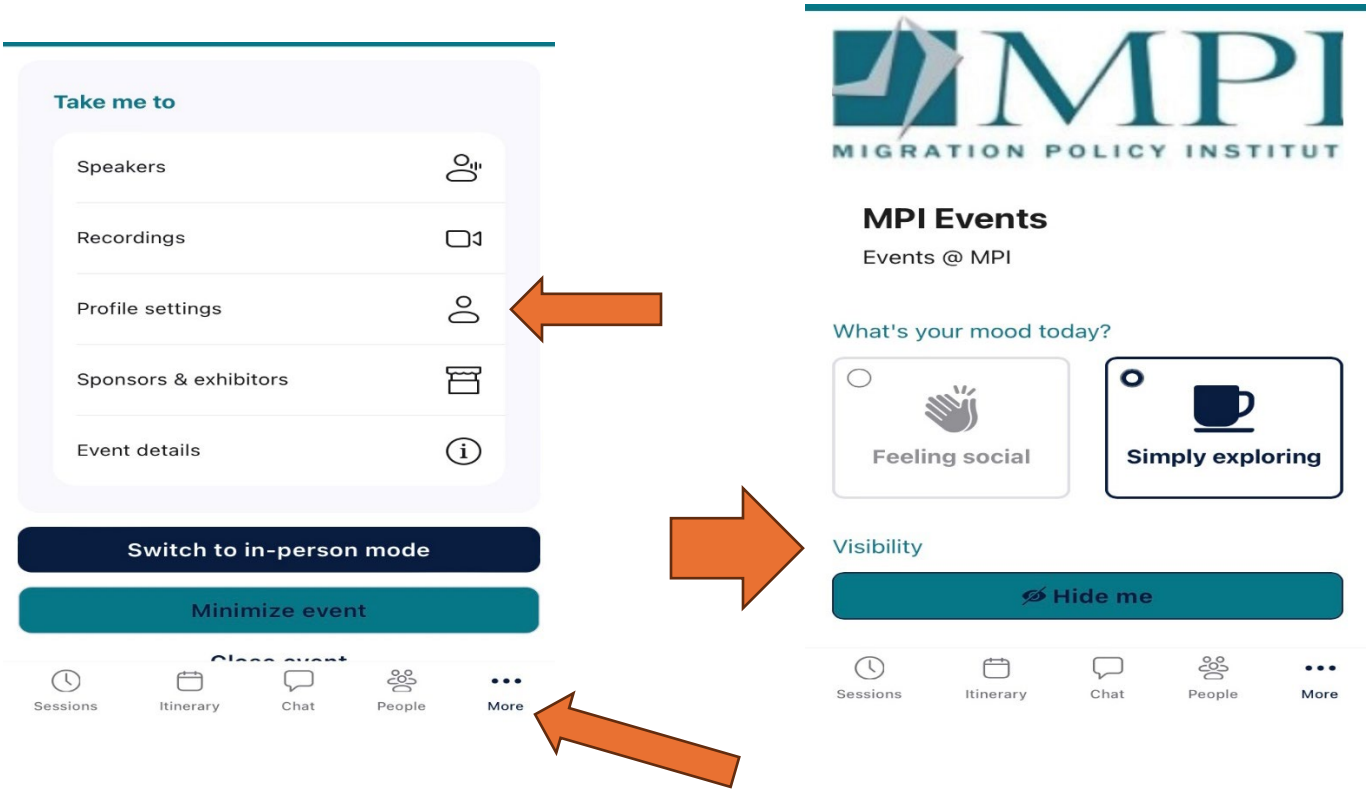

STEP 4: If you are on a phone or tablet, you may be prompted to join/update/ download the Zoom App. In the Zoom app, you may need to click on events and choose to join the event.

Please click Create Profile or ACCESS YOUR PROFILE by clicking More at the bottom of the screen, then click Profile Settings.

- Enter/verify your first name, last name, position, and company and as much of the remaining information you would like to add.
- This will be viewable by other attendees, unless you choose the Hide Me option.
- Choose to network by selecting “Feeling Social” or “Simply Exploring”.

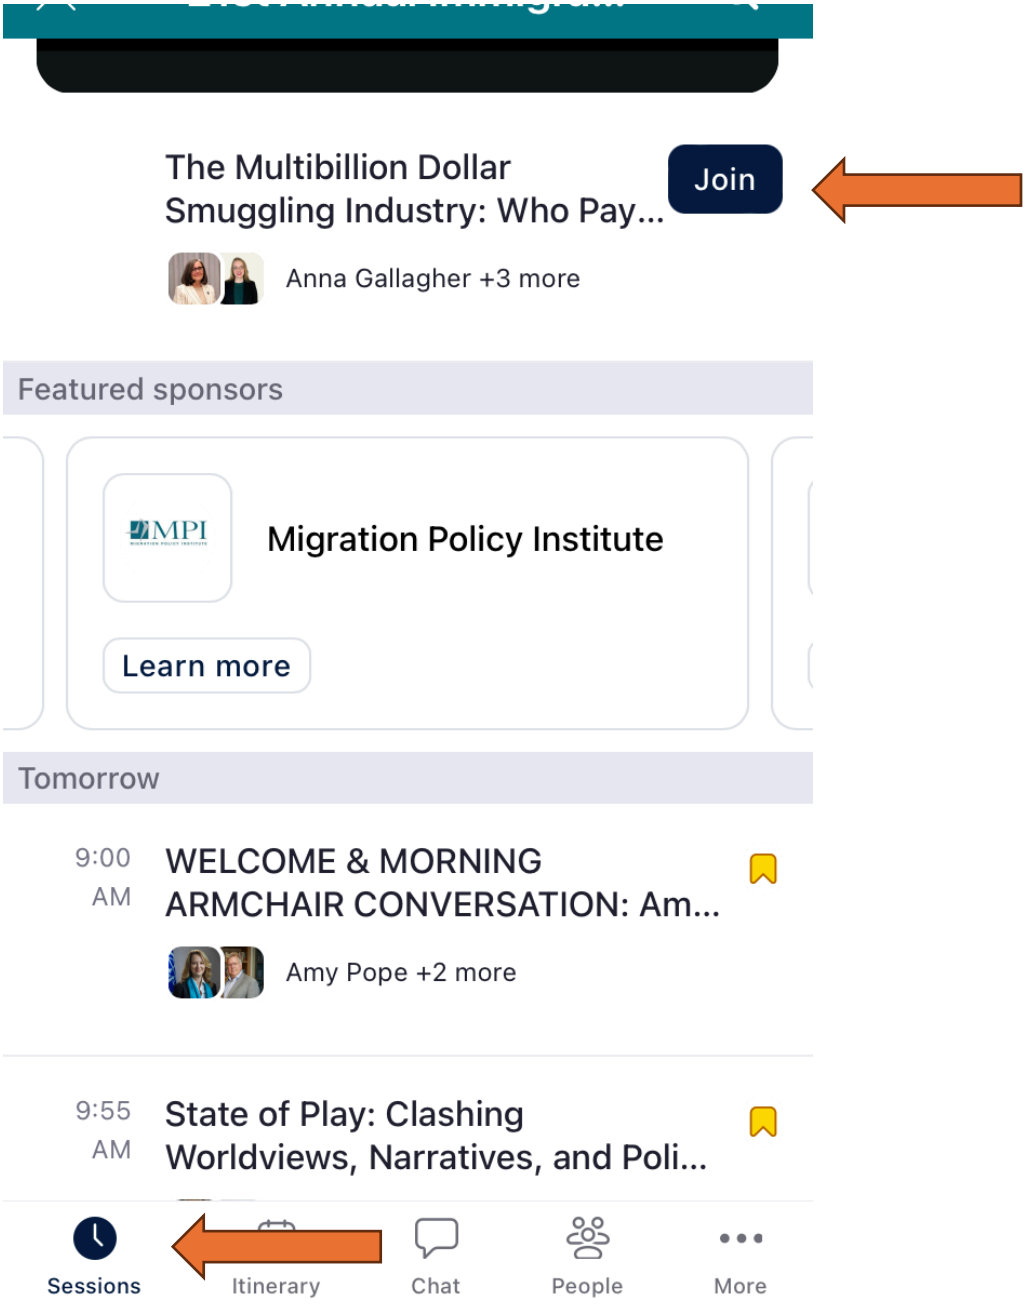

STEP 5: Then click on Sessions in the bottom toolbar to view sessions you can watch.

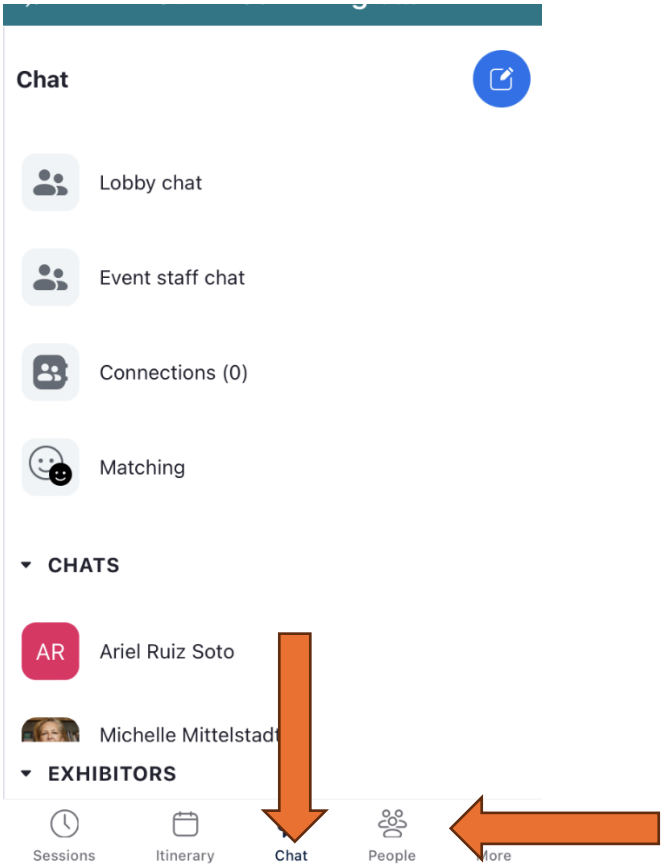

On the Sessions page, find the current panel, and click Join to watch the current session.

In the session, you can use the chat and Q&A functions like a regular Zoom session.

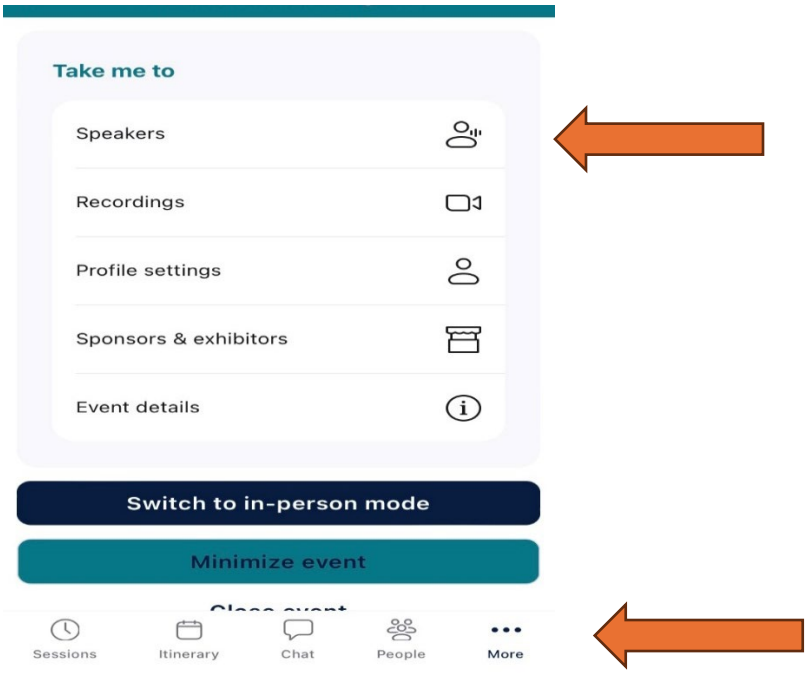

You can also click on the session to view session resources.

Chat and network by clicking the Chat or People icons.

View speaker biographies by clicking More and clicking Speakers

If you have any questions, please email events@migrationpolicy.org.
